

MCE 
ROTATING EQUIPMENT

DIVERSIFIED 
AIR SYSTEMS
AN MCE COMPANY

AIR & NITROGEN SYSTEM EXPERTS

SERVICES & SOLUTIONS

» AIR AS A UTILITY

With our “airtility” solution, eliminate your need for capital investment by leveraging your compressed air systems as a utility and enjoy one fixed monthly fee through the life of your contract. Receive guaranteed systems, service and maintenance, cubic feet per minute (CFM), and air quality.

» MOBILE AIR SYSTEMS

Partnering with All Weather Air, we have engineered cost-efficient, mobile air stations that enable year-round operation. Featuring a portable outdoor cabinet that allows operation regardless of weather conditions or floor space, these units operate with energy costs 8 times lower than regular diesel compressors.

» AIR AUDITS

Partner with us to conduct thorough auditing on your air system. Including supply-side, demand-side, payback reports, incentive management, distribution system mapping, and more.

THAT DRIVE YOU FORWARD

SERVICE & REPAIR

With service and sales facilities in Cleveland, Toledo, Pittsburgh, and Erie, we ensure your service needs are met quickly, while our factory-certified technicians guarantee the job is done right. No matter the model or manufacturer, we will repair your rotating equipment efficiently and economically.

EQUIPMENT RENTALS

Diversified Air Systems is rental-ready 24 hours a day, 365 days a year. We have the largest regional selection of rental ready Kaishan USA compressors, dryers, vacuum pumps, and accessories for your systems including hoses, aftercoolers, and filters.
