

MOTOR CONTROLS & AUTOMATED SOLUTIONS

Sole ACQ580 VFD rep for GA

- Variable Frequency Drives
- PLCs & HMIs
- Industrial Motor Control
- Soft-Start Starters
- Fused/Non-Fused Disconnects
- Circuit Breakers
- Control Relays
- MCCs and Switch Gear

- NEMA & IEC Industrial Motor Control
- Managed & Unmanaged Switches
- Pilot Devices
- 3RW Soft-Starts
- Tiastar MCCs
- Industrial DC Power Supplies
- Circuit Protection
- Power Distribution Equipment

- Industrial Motor Control
- Circuit Breakers

INDUSTRIAL CONTROLS

AN MCE» COMPANY

MOTOR CONTROLS & AUTOMATED SOLUTIONS

- Industrial and PCB Relays
- Relay Interface Modules
- Solid State Relays
- Control Relays and Timers

- Control and Automation Products
- Low and Medium Voltage Distribution Products
- Transformers

- Capacitors, Inductors, and Resistors
- Fuses, Overcurrent & Overvoltage Protection
- Panels, Power Distribution

- Relays
- Timers
- Engineered Products
- Pump Alternation Relays

- Cordsets & Cables
- Panel Interface Connectors
- ILME Products, Junction
- Blocks, Network Connections

- ImperviTRAN & GlobalTRAN Control Power Transformers
- Buck-Boost Transformers

- Factory Automation:
 - Proximity
 - Photoelectric
 - Vision
 - Inclination
 - Ultrasonic
- Sensors
- Rotary Encoders
- Process Automation:
 - ISB's
 - Signal Conditioners
 - Purge/Pressure Systems
 - Industrial Monitors

- Phase & Voltage Monitors
- Pump Controllers & Pumpsavers
- Alternating Relays
- Load Sensors

- Harmonic Filters
- Line Reactors
- dV/dT filters
- Passive filters
- Active Filters
- Sinewave Filters
- EMI Filters

- Electric and Diesel Fire Pump Controllers
- Jockey Pump
- Controllers
- Fire Pump Automatic Transfer Switches

SERVICES AND SOLUTIONS

EXPERTISE

- Factory-trained, authorized engineers, programmers, and service technicians for troubleshooting and start-ups
- Highly responsive, technical inside sales team to support delivery and solve application challenges

CAPABILITIES

- Servicing industrial, municipal, and OEM markets since 1996
- Local, high-quality inventory - both comprehensive and specifically adjusted for customer OEM or industrial needs

SERVICES

- As a leading UL508A panel shop, we are able to reduce your manufacturing and labor costs, and speed up your overall growth
- In-house Kiesling Perforex machine for precise drilling, tapping, and punching of enclosures & backpans
