

ULTIMATION»

AN MCE» COMPANY

Conveyor solutions that build efficiencies and boost productivity

CONVEYOR & MATERIAL HANDLING SOLUTIONS

FLOOR CONVEYORS

- Belt
- Gravity
- MDR
- CDLR
- Customizable for projects of all sizes

OVERHEAD CONVEYORS

- Hand-push systems
- Motorized systems
- Fully configurable layouts
- Built to maximize productivity

VERTICAL LIFTERS

- Pallet lifts
- Continuous vertical conveyors
- Designed for efficient vertical transport

AUTOMATED DELIVERY SYSTEMS

- Engineered-to-order solutions
- Digitally test before purchasing
- Designed for system integration

(586) 771-1881

QUICK-SHIP PRODUCT RANGE

GRAVITY CONVEYOR SYSTEMS

Low-maintenance gravity roller systems that are simple, safe and sustainable for any industry.

MOTORIZED ROLLER CONVEYOR SYSTEMS

Low-voltage, energy-efficient modular motorized conveyor systems.

BELT CONVEYOR SYSTEMS

Fully customizable belt conveyors tailored to handle any material handling application.

OVERHEAD CONVEYORS

Monorail systems, power and free systems, or enclosed track systems, tailored to meet your project specifications.

BEAM TROLLEYS

Affordable conveyor systems that use vertical space to move products, excellent for a wide variety of applications.

ACCESSORIES & SPARE PARTS

Our Online Store is your one-stop-shop for conveyor accessories and spare parts.

CUSTOM SOLUTIONS

We pride ourselves on delivering cutting-edge custom material handling solutions tailored to your needs. As industry leaders, we provide engineered-to-order systems that cater to diverse sectors, including automotive, indoor farming, distribution, and manufacturing.

VIRTUAL PROVE OUT

Our vast experience with industry-leading CAD software, finite element analysis, simulation studies, and much more allows us to prove out your project's needs before producing a single part.

DIGITAL DESIGN

We'll turn your project aspirations and ideas into a comprehensive digital design, giving you the confidence you need to assure our designs will work for your needs.

INNOVATION

Our highly skilled engineers, project managers, and sales associates take pride in solving complex challenges with innovative solutions.

OUR TURNKEY PROJECTS COVER DIVERSE INDUSTRIES:

AUTOMOTIVE

INDOOR FARMING

DISTRIBUTION

MANUFACTURING

VENDORS

KEEPING LIFE IN MOTION.

**ONE
INTEGRATED
SOLUTIONS
PARTNER.
MANY
BENEFITS.**

- ▶ **Single source** for an extensive range of highly engineered products and solutions.
- ▶ **Full lifecycle solutions** from assembly to maintenance and everything in between.
- ▶ **Deep technical/application expertise** that looks at the entire system, not just one part.
- ▶ **Nationwide network** of distribution centers that ensures the products you need are available locally.
