# We Solve the Industry's Most Challenging Problems

»» The Products You Need, The Brands You Trust,  
The Experts You Can Rely On

**Midstream**  
Processing & Transportation

- » We provide technical expertise to help you enhance operations.
- » We manage the inventory you need to minimize downtime.
- » We help you proactively maintain your equipment to extend asset life.

**Upstream**  
Exploration & Production

- » We stock the products you need to keep you running.
- » We help you plan and prepare for seasonal maintenance outages.
- » We provide training to help you bridge workforce gaps.

**Downstream**  
Refining & Distribution

- » We engineer solutions to help you accelerate R&D.
- » We provide product expertise to support plant modernization.
- » We provide industry-specific training to help you grow your team.

## FLOW CONTROL AND MEASUREMENT

- Valves**
  - Ball Valves
  - Butterfly Valves
  - Check Valves
  - Diaphragm Valves
  - Floating & Trunnion Ball Valves
  - Gate Valves
  - Pinch Valves
  - Plug Valves
  - Severe Service Control Valves
  - Solenoid Valves
- Regulators**
  - Back Pressure
  - Pressure Reducing
  - Tank Blanketing
  - Tank Venting
  - Self-Operated Regulators
  - Pressure & Temperature Regulators
- Steam & Condensate**
  - Steam traps
  - Condensate Recovery
  - Separators
- Actuators**
  - Electric Quarter Turn and Linear
  - Hydraulic Scotch Yoke
  - Pneumatic Quarter Turn and Linear
- Process Instrumentation & Controls**
  - Force Meters
  - Pressure Transmitters
  - Temperature Transmitters
  - Positioners
  - Flow Meters
  - Level Measurement
- Analytical Instrumentation**
  - Continuous Gas Analyzers
  - Pressure & Vacuum Gaseous
- Sampling Pumps**
  - Process Analyzers
  - Emissions Analyzers
  - Particulate & Opacity Stack
- Emissions Analyzers**
  - Gas Sampling Components
  - Toxic & Combustible Gas Detectors
- Product Packages**
  - Pump Packages
  - Actuated Valve Packages
  - Vapor & Flame Control Equipment

## FILTRATION

- Hydraulic
- Mobile
- Liquid Process
- Compressed Air
- Dust
- Rental Vessels

## HOSES, FITTINGS, VALVES & INSTRUMENTATION

- Industrial Hose**
  - Low, medium and high-pressure hydraulic hose
  - Air, chemical and steam specialty hoses
- Tubeing**
  - Stainless steel, copper, and all metal tubing
  - Tubing bundles
- Fittings**
  - CPI™ Fittings
  - A-LOK™ Fittings
  - MPI™ Fittings
  - Autoclave Engineers®
- Gauges**
  - Pressure Gauges
  - Temperature Gauges
- Hydraulic Valves**
  - B Series Ball Valves
  - U Series Needle Valves
  - V Series Needle Valves
  - C Series Check Valves
  - PGI Manifolds
  - F Series Inline Filters
- Hose Crimpers**
  - Parkrimp Hose Crimpers
  - Portable Crimpers
- Power Units**

## COMPRESSED AIR, MOTORS & PUMPS

- Air Compressors**
  - Centrifugal
  - Reciprocating
  - Rotary Screw
- Air Treatment**
  - Air Dryers
  - Air Filters
  - Drain Valves
  - Oil Water Separators
  - Receiver Tanks
- Blowers**
  - Positive Displacement Blowers
- Engineered Solutions**
  - Containerized Air Systems
- Pumps**
  - Diaphragm Pumps
  - Heavy Duty Circumferential Piston Pumps
  - Hydraulic Pumps
- Motors**
  - Hydraulic
  - AC/DC
  - Transformers
  - Gear Reducers

**Oil & Gas Product Specifications We Support**

API-6D Valves  
API Tank Vessel Codes  
NACE Valves  
Worker Protection

FM Class 1 Div 1 Instrumentation  
Explosion Proof Instrumentation

SIL Rated Instrumentation  
Safe Operation of Hydrofluoric Acid

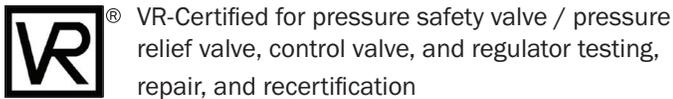

## Specialized Repair Solutions to Keep You Running

### VALVE REPAIR

- Multi-brand, factory trained control valve repair center with premium mobile repair solutions
- In-house and in-field service for valve actuation assembly and repair, instrument field calibration, trouble shooting and repair, and full gauge assembly and calibration
- Authorized service provider for:

### VALVE REMANUFACTURING

### STEAM TRAP SURVEYS

- Advanced diagnostic equipment to deliver data-driven insights to help you reduce failures and maximize efficiencies

### PUMP REPAIR & REPLACEMENT

- Hydraulic, chemical, process, and glycol pumps

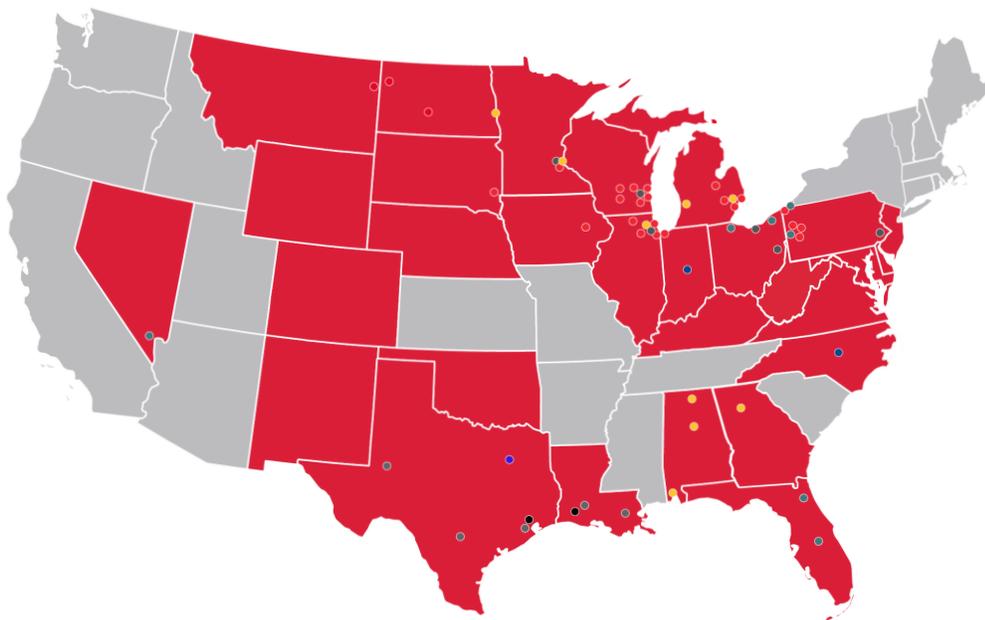

### MOTOR REPAIR & REPLACEMENT

- 24-hour emergency service for AC/DC motors and VFDs, single and 3 phase, any size HP and pump, gearbox repairs, and electronics
- Thousands of used and surplus industrial AC and DC motor replacements in stock

### SAFETY CERTIFIED

- Our technicians are CCST Level II certified

## Broad National Reach to Serve You Better

**45** STOCKING FACILITIES

**23** WALK-IN RETAIL STORES

**17** SERVICE & REPAIR CENTERS

MCE named **#33** on the 2024 Industrial Distribution Big 50 List

**#9** in Top Fluid Power Distributors Sector

**#42** in Top Industrial Supplies Distributors Sector
