POWER&PUMPS

AN MCE COMPANY

PUMPS / MOTOR CONTROL / POWER TRANSMISSION

PUMPS

Water, Wastewater, HVAC, Sludge, Reuse, Industrial, Bypass, Chemical

ShinMaywa

VISION WITH INSIGHT

- Heavy duty non-clog submersible pumps
- Dry-pit submersible pumps
- Submersible mixers

Many models include a unique high efficiency clog-resistant single vane scroll impeller. The leading choice for waste and solids handling for water and wastewater applications in municipalities, industrial, steel and paper mills, mining operations, and food processing plants.

VERDER

Peristaltic hose pumps for bulk transfer and metering applications, air and electrically operated double diaphragm pumps.

DEMING

VERTICAL TURBINE PUMPS

Vertical turbine pumps suitable for everything from clear water to hazardous, abrasive, and viscous fluids. Customization is available for a wide range of capacities and pressures.

Taco

Large vertical and submersible pumps essential for water circulation, pollution control, wastewater management, and hydropower energy production.

CURFLO

ANSI pumps and parts, fully interchangeable with other major manufacturers.

ALL PRIME PUMPS

AN MCE COMPANY

Solids-handling self-priming pumps for waste handling applications.

ARO

Ingersoll Rand

Pneumatic diaphragm pumps built to be reliable in harsh conditions. Available inventory of pumps and pump parts.

KAISHAN

Rotary screw air compressors designed with performance in mind while keeping operating costs low.

Packo Pumps

Hygienic and industrial Centrifugal, Lobe and Twin Screw pumps for sanitary and industrial applications.

NAGLE PUMPS

A Ruthman Company

Heavy-duty vertical cantilever, wet and dry mounted, submerged bearing, horizontal and submersible pumps for abrasive, corrosive, and high temperature applications.

POWER TRANSMISSION

SEW EURODRIVE — AC electric motors, adjustable speed reducers, gear reducers, and integral gear motors.

GE INDUSTRIAL MOTORS a WOLONG company — AC motors, DC motors, and NEMA low voltage and medium voltage electric motors.

BODINE ELECTRIC COMPANY — AC & DC sub-fractional horsepower electric motors, gear reducers, and adjustable speed drives.

WORLDWIDE ELECTRIC CORPORATION — Low and high voltage motors, variable frequency drives, gear reducers, soft-start starters, and enclosed drive packages.

DODGE — Gear reducers, integral gear motors, mounted bearings, couplings, sheaves and conveyor components.

TOSHIBA — Low and medium voltage electric motors and adjustable speed drives, and soft starts.

Martin — Gears, sprockets, sheaves and couplings, screw conveyors and components.

SPECIALTY PRODUCTS

MD-Kinney — **Vacuum Systems:** Piston, dry screw, liquid ring, rotary piston, rotary vane, vacuum pumps. **Blower Systems:** Competitor, equalizer, PD Plus, Qx blowers, and packaged blower systems.

Ingersoll Rand / Tuthill (PUMP YOUR HEART INTO IT) — Internal gear pumps, magnetic drive pumps, and lubrication gear pumps designed for the toughest industrial tasks.

Dynamic Motor Controls — Pump station and custom electric control panels.

mpe LLC (Motor Protection Electronics LLC) — Controllers, phase monitors, voltage monitors, duplex/triplex alternators, and level measurement.

Flexitallic — Spiral Wound Gaskets.

Garlock (SEALING TECHNOLOGIES) — Mechanical packing and gaskets.

OmniSite — Omni Beacon, Guard Dog Monitoring Software XR-50, Crystal Ball, and WINGS

REPAIR SERVICES

- **Wide variety of pump & motor repairs up to 500hp**
- **Field Service Support:**
  - On-site mechanical repairs
  - New installs
  - VFD integration support
- **Pick up and delivery services available**
- **Laser alignment and flow testing services available**
